

Greenworld

Think Green for the World

Reference Number: 2021-1-DE04-KA220-YOU-000029209
Duration: 07.03.2022 - 07.03.2024 (24 Monate)

Greenworld - Think Green for the World is a youth education project that raises awareness of sustainability and the green economy by adopting entrepreneurship approaches for young people and developing, testing and evaluating e-learning approaches and concepts.

The ERASMUS+ project Greenworld - Think Green for the World focuses on the development, testing and evaluation of sustainable education and entrepreneurship in youth education contexts.

It has a duration of 24 months. The project language is English.

In the project, aspects of climate change, environmental protection and sustainability are addressed and thematised in the context of youth offerings.

Target groups:

- ◆ Youth groups
- ◆ young learners at schools
- ◆ Education providers
- ◆ Trainers
- ◆ Lecturers
- ◆ Teachers
- ◆ Youth educators

ving, Portugal

Objectives:

The objectives are based on the idea of broadening the horizons of young people, developing themselves, thinking critically, taking responsibility, being environmentally and climate conscious, being active and knowledgeable and encourages tomorrow's leaders to make positive changes not only in education and youth life but also in society.

- ◆ Increasing capacity in environmental literacy
- ◆ Empower youth to be entrepreneurs in green economy sectors
- ◆ Create opportunities for youth to acquire and use integrated, basic, digital and language skills
- ◆ Strengthen critical thinking and creativity
- ◆ Increase language skills and entrepreneurship
